YEARNING. CINEMATIC. DEVOTED.

*This exists
so that men
can yearn.
And women
feel seen.*

THE STORY

Jay Putty is a Nashville-based singer-songwriter making cinematic pop for BookTok and romantasy readers. Raised in Evansville, Indiana, he has been creating for 12 years and produces or co-produces every song he releases. His world is gothic and high fantasy: swords, candles, costume, and songs written from the hearts of the books his listeners love. His album *The People I Have Loved and Loved Me Back* was released September 25, 2026.
